What's Happening

Art Exhibition w/ Skippko

A co-produced art exhibition representing the voices of sex workers on how stigma leads to violence, also featuring our Red Umbrella Wall of Support.

Allies' Workshops

Running during our exhibition, these workshops will aim to give you clear action points on what you can do to help end violence against sex workers.

A History of Sex Work w/ Dr. Kate Lister

Dr Kate Lister from Leeds Trinity University shines a light on the little-known history of sex work in the city of Leeds, in collaboration with HistFest.

Film Screening w/ LUU Fem Soc

We invite you to a screening of the 2005 film 'Princesas', a tale of two sex workers who come together as friends in the face of violence.

All-Night Outreach

Staff and volunteers will be coming together once again for an extended outreach 8pm-4am.

Red Umbrella Walk

Our campaign will be culminating in a red umbrella walk. Contact Basis for details on the location.
