

Child Sexual Exploitation The Victim's Voice: Level 2

This one day **CPD accredited** course expands upon our Child Sexual Exploitation (CSE) Briefing to give a comprehensive, interactive overview of the current picture, practices and procedures surrounding CSE. Our training keeps the victim's voice at its heart, as we bring their experiences to life with real-life case studies and audio clips. The course will be guided by one of our specialist CSE frontline workers and experienced trainers, who will support delegates to enhance their understanding of CSE and translate their knowledge into developing best practice in supporting young people.

Who is this course aimed at?

This course is aimed at all professionals that work with children and young people and those who want to enhance their understanding of CSE. This includes professionals working in the third sector or public services that work with young people, either as victims or as offenders, or in another supportive capacity. Our past delegates have included: *youth workers, the police, sexual health staff, school nurses.*
