

How to Edit/Sign Our Referral Form

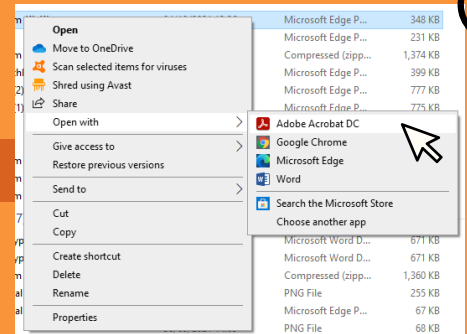

1

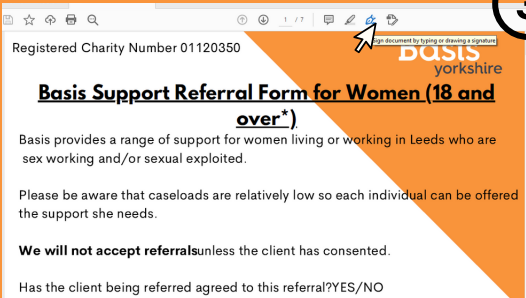

Download/Save the Document from the email

Open the Document with Adobe

2

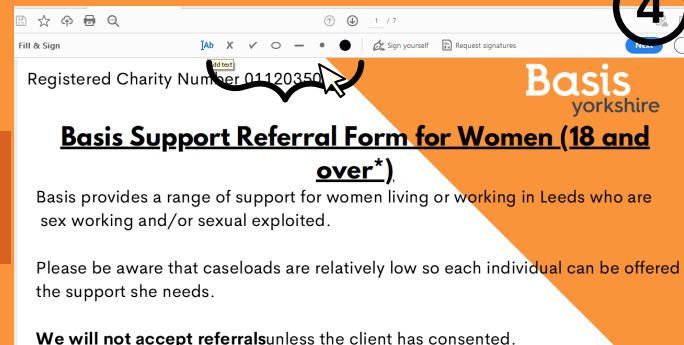

3

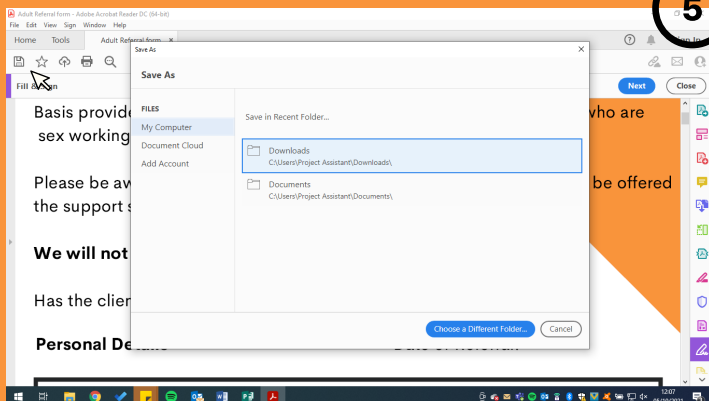

Select the ink pen icon

4

The Text, Tick, and Circle functions can be used to edit the document

5

Once the form has been completed, save the document to your files and then email to us.

If a pop-up about sharing the document appears press the 'x' in the top left corner of the pop-up. You do not need an adobe account to send to us a completed form in an email
