

Basis Young People Referral Form

Our support is trauma aware and aims to be therapeutic in nature. However, please note Basis support is not a replacement for Psychotherapy/Counselling, nor do we have access to therapists.

The Basis Young People Team Supports:

- Children and Young People aged 10+ to 18yrs (up to 24yrs if care experienced or have Learning Difficulties)
- Children and Young People who are at risk of Sexual Abuse and Exploitation
- Children and Young People who are experiencing Sexual Abuse and Exploitation
- Children and Young People who have experienced Sexual Abuse and Exploitation

Please tick which support you feel/the young person feels they would benefit from and tell us why in the box below:

What Support do you want from Basis?*

.....
.....

*our work is centred around each individual young person we work with and we will only work with young people **who agree to our support.**

What does support from Basis Look like?

- Young person led
- Confidential
- Tailored to you
- Trauma aware
- Not time limited

Although you have been referred to us because you may have experienced sexual abuse or, because you or others around you might be concerned you may experience harm, **your support doesn't just have to cover this.** We can talk about, and try to help with anything you want. Here are some examples of what we have supported young people around:

- Friendships at School
- Accessing Healthcare
- Discussions around sexuality and gender identity
- Help accessing other services like drugs and alcohol counselling, housing and education
