The Team

Our services in Leeds provide support to adult women (and those identifying as women/non- binary) involved in all aspects of the sex industry. The postholder will provide support to women identified as having multiple intense support needs (can include poor health, homelessness, substance use, history or current abuse or exploitation etc). and others sex workers experiencing stigma, exploitation or other barriers to access services. The team work to Basis’ organisational values, taking a rights-based approach and provide evidence-based services to enable and empower women to make positive choices. The team have an established reputation for providing high quality, effective safety advice, information and support, enabling safer working practices. Services are provided within the community, on evening outreach and at venues as determined by those we support.

The Job

To provide appropriate emotional and practical support to women and non -binary people involved in sex work with multiple and intense support need and others experiencing stigma, exploitation or other barriers to access services. Working within a harm reduction ethos prioritising women’s safety and wellbeing, you will be enabling women to access support and navigate services, making appropriate referrals for women who wish to make positive choices, including transitioning out of sex work. You will be responsible for ensuring that women with varying needs are supported effectively throughout their pathway of support with Basis and partners, advocating for and with the women you are working with. The role largely involves 1 to 1 work with a dedicated caseload as well as contribute to the wider team responsibilities including outreach, drop in and duty.

Job Description

1. Delivery

- Oversee a caseload of women who sex work with multiple and intense support needs or those experiencing stigma, exploitation and other barriers to services in order to ensure women's needs and aspirations are met throughout the pathway of support.
- Ensure that sex workers have access to services in line with funder expectations and client need and wishes.
- Provide harm reduction interventions to women to empower them to engage in safer working practices
- Ensure women have access to services through a variety of means, i.e. face to face, digital engagement, outreach, drop in and duty
- Take responsibility for co-ordinating and delivering joint partnership working to sex workers in order to reduce harm, develop positive responses to sex workers and enable positive change, including transition out of sex work
- Ensure that safeguarding practice is embedded within working practices to effectively support those 'at risk' including leading on Multi-Disciplinary Meetings
- Maintain accurate and timely records using tailor made online case management systems
- Establish, maintain and develop good partnership working relationships with professionals and organisations both statutory and voluntary
- Advocate for sex workers, challenging discrimination, exclusion and stigma both for individuals and within the wider community
- Ensure the service maintains its strict confidentiality and protects the data of those accessing the service, sharing information to minimise harm & co-ordinate support where necessary

2. Monitoring and Evaluation

- Ensure ongoing recording and monitoring of project outputs and outcomes
- Manage engagement and outcome data, inputting data onto the database and collating information to produce relevant reports.
- Responsible for gathering feedback from sex workers on the service and any improvements suggested
- Support analysis of data to review service deliver

3. Budget

- Support the Team Leader to ensure the project is delivered within the budget
- Provide timely information to the Team Leader to ensure that the project budget is created and effectively managed.

4. Partnership engagement and management

- Ensure the maintenance and development of excellent partnership working relationships with professionals, organisations and other key stakeholders.
- Support the Team Leader to maintain relationships with all relevant external stakeholders and organisations.
- Ensure effective representation at external meetings and events to facilitate improved understanding of sex work and related issues

5. Communications

- Support Business Development, Comms & Training Manager in contributing to local and national press initiatives where relevant
- Collaborate with the Business Development, Comms & Training Manager by contributing to social media content where relevant
- Ensure that information/publicity with regards to service outcomes is kept updated.
- Engage proactively with digital engagement and social media where required in order to ensure women across the sex industry can access services.

6. General Responsibilities

- Contribute to team meetings and organisational priorities, strategic goals and performance targets
- Support and provide supervision for volunteers
- Actively engage in regular internal and external supervision to support professional development and reflective practice.
- Be flexible within the broad remit of the post
- Ensure that finance and resources are used effectively and within budget
- Work collaboratively on projects and priorities with your line manager which may vary from time to time
- Be proactive in keeping up to date with and generating development relating to your work (including policy updates) Abide by organisational policies and practices, and our values
- Support diversity and equality of opportunity in the workplace
- Ensure that effective safeguarding procedures are in place and are acted upon
